1. In the Patient search: enter patient date of birth, last name, first name> click search
Click Create New Patient>enter patient name, DOB, select Sex, Mobile Phone#, email. If no email, enter none@dmg.net>click Save:

The screenshot displays the AbbaDox application interface, divided into two main sections: a search results page and a patient creation form.

Search Results Page:

- Search Bar:** Includes fields for Patient Date of Birth (MM/DD/YYYY), Patient Last (test), Patient First (benson), Phone Number, and Medical Record. Buttons for Add Filters, Search, Clear, and Save are present.
- Search Results:** A message states "No Search Results Found" and "No patients matched your search criteria". A "Create Patient" button is visible.
- Buttons:** Two buttons are located at the top right of the search results area: "+ Create & Schedule Patient" and "+ Create New Patient" (highlighted with a red box).
- Recent Patients:** A list of recent patients is shown on the right, including BONNIE TEST, APPLE TEST, CHAN LIAAO, DAISY DUCK, JIN TEST, and CARMEN YANINE SAENZ, each with their MRN and DOB.

Create Patient Form:

- Patient Information:** Includes fields for First Name* (benson), Middle Name, Last Name* (test), and Maiden Name. It also has a field for DOB* (MM/DD/YYYY) and a dropdown for Patient Status (Active). A "Manage External IDs" link is available.
- Identification:** A section for "No identification on file" with a camera icon and an "Activate Camera" button. A "Drag and Drop files here" area with a "Browse Files" button is also present.
- Patient Address:** Fields for Address 1, Address 2, City, State (dropdown), and ZIP.
- Phones and Email:** Fields for Home Phone #, Mobile Phone #, Work Phone, and Email.
- Contact Preferences:** Checkboxes for Phone, Text, and Email, each with a toggle switch.
- Additional Demographics:** Fields for Social Security #, Marital Status (dropdown), Languages (dropdown), Ethnicity (dropdown), Race (dropdown), and Heard of Us (dropdown). A "Requires Translator" section with Yes/No buttons is also present.
- Buttons:** "Cancel" and "Save" buttons are at the bottom right.

Patient chart to see documents related to the patient:

Order tab: orders, eligibility, authorization. Reports tab: Reports Registration tab: IDs. Eforms tab: Patients exam questionnaires, Patient consent, Tech Worksheets.

The screenshot shows the 'Patient History' page for Bonnie Test (7201570). The 'Documents & Images' tab is selected, displaying a large empty area for documents. The right sidebar shows patient information for Bonnie Test, including MRN, DOB, Age, Sex, and Contact Information. A 'New Appointment' button is visible in the top right corner.

3. Click History to see Pending Appointments, Scheduled Appointments, Past Appointments:

The screenshot shows the 'Patient History' page for Bonnie Test (7201570) with the 'History' tab selected. The 'Visits' sub-tab is active, displaying three sections: Pending Appointments (0), Scheduled Appointments (0), and Past Appointments (3). The 'Past Appointments' section contains a table with three rows of appointment data.

The right sidebar shows patient information for Bonnie Test, including MRN, DOB, Age, Sex, and Contact Information. A 'New Appointment' button is visible in the top right corner.

4. Click New Appointment to open Scheduling Wizard:

The screenshot shows a patient history dashboard. On the left is a dark sidebar with navigation options: Patient History, Appointments, Referrals, Payers, Documents, Workflows, Incomplete, Pending, Scheduled, Reports, Tasks, Referrals, and Follow-up. The main area has tabs for History, Billing, Contacts, Patient Chart, and Breast Health. A 'New Appointment' button is highlighted in the top right. Below the tabs, there are sections for Pending Appointments (0), Scheduled Appointments (0), and Past Appointments (3). The Past Appointments section contains a table with columns: Date of Service, Status, Procedure/Diagnosis, Accession Number, Location, Room, and Actions. The table lists two appointments from 04/26/2022. On the right, there is a patient information card for BONNIE TEST, including MRN, DOB, Sex, Language, and Contact Information.

The screenshot displays a medical software interface with a sidebar on the left containing navigation links: Patient History, Page Navigation, Search, Patient, Appointments, Referrals, Payer, Documents, Workflows, Incomplete, Pending, Scheduled, Reports, Tasks, Referrals, and Follow-up. The main header includes tabs for History, Billing, Contacts, Patient Chart, and Breast Health, along with a 'New Appointment' button. Below the header, there are sections for 'Pending Appointments (0)' and 'Scheduled Appointments (4)'. The 'Scheduled Appointments' section contains a table with columns for checkboxes, Date of Service, Status, and Procedure/Diagnosis. A 'Cancellation Reason' dialog box is open, prompting the user to 'Select Cancellation Reason' and 'Explain why this visit is being canceled.' The dialog includes a 'Cancellation Reason*' dropdown menu, an 'Alert' checkbox, a 'Cancellation Notes' text area, and a 'Waitlist' section with 'Auto', 'Manual', and 'Skip' buttons. The background table lists four appointments for 04/14/2025, all with a status of 'New'. The first appointment is for 'US AXILLA RIGHT (76881A)' at 10:00 AM, which is selected. The other three are 'DIAGNOSTIC MAMMOGRAM', 'US SOFT TISSUE NECK HE', and 'MRA HEAD W/O CONTRAS' at 09:30 AM, 09:00 AM, and 08:30 AM respectively. The right sidebar shows patient information for 'BONNIE TEST', including MRN, DOB, Sex, Language, and Contact Information.
