1. To print batch reports:

Under Search>click **Documents** >select Service Type, Date of Signature, Location List, Not Printed> click Search:

Check box the box> **click Print:**

The screenshot displays the AbbaDox SG Print Report interface. The left sidebar contains navigation options: Patients, Appointments, Referrals, Payers, Documents (highlighted with a red box), Workflows, Incoming Faxes, Pending, Scheduling, Appointments, Insurance Verification, Appointment Search, Technologist, No Shows, Waitlist, Simplicity, Tasks, Referrals, and a bottom icon. The main search area at the top includes filters for MRN, Date of Service (MM/DD/YYYY), Patient Last Name, Patient First Name, Case Id / Accession #, Service type (CT, DEXA, DEXA, DE...), Date of Signature (This Week), Providers, Location List (Dmg San Gabriel), Image Type List, and a Printed dropdown (Not Printed). A red box highlights the Service type, Date of Signature, Location List, and Printed filters. The Search button is also visible. Below the search area, the Search Results table is shown with columns: Date of Service, Document Types, Record Number, Patient Name, Author, Referring Physician, Visit Description, Printed, and Actions. The table lists 10 records for the date 09/25/2025, all with Document Type 'DMG SAN GABRIEL - XR' and Author 'Lee Thomas'. The first 9 records have a 'Printed' status of 'SI' and a heart icon in the Actions column. The 10th record has a 'Printed' status of 'SI' and a heart icon. The bottom of the page shows 'Showing' and 'Per Page: 25'.

click Fax>in the Contact Directory, enter Physician Name> click Search> check box Name Fax > click Add> click Submit

click Email

3. To confirm Faxes sent:

The screenshot displays the AbbaDox software interface. On the left is a dark sidebar with a grid icon at the top, followed by the 'AbbaDox' logo and a hamburger menu. Below these are search and navigation options: 'Search' (with a magnifying glass icon), 'Patients', 'Appointments', 'Referrals', 'Payers', 'Documents', 'Workflows', 'Incoming Faxes', 'Pending', 'Scheduling', 'Appointments', 'Insurance Verification', 'Appointment Search', 'Technologist', 'No Shows', and 'Waitlist'. The main content area has a top header with a blue bar containing a '0 All' button. Below this is a search filter section with input fields for 'Patient Date of Birth' (with a calendar icon and 'MM/DD/YYYY' placeholder), 'Patient Last', 'Patient First', 'Phone Number', and 'Medical Record', followed by an 'Add Filters' button. The 'Search Results' section features a large light blue box with a magnifying glass icon and the text 'Perform Search' and 'Use the filters above to perform a search'.

Click square grid >click Fax Tracker:

Check Fax Console to check fax sent:

The screenshot shows the 'Fax Console' interface. At the top, there's a header with the 'Fax Console' title and a search bar. Below the search bar are filters for 'Date Range' (set to 'Today'), 'Location', 'Recipient Name', and 'Recipient Fax'. There are also checkboxes for 'Pending', 'Sent', and 'Failed', and buttons for 'Add Filters', 'Search', and 'Clear'. The main section is titled 'Search Results' and contains a table of fax records.
